*San Vicente de la Sonsierra, La Rioja, Spain*

From the heart of the Rioja Designation of Origin, inside the Rioja Alta, comes the collection Hacienda López de Haro. The Sonsierra, with the Sierra de Cantabria mountains on the north and the Ebro River on the south, is a perfect area for old-vines of Tempranillo. That is why this area has an ancient tradition of winegrowing and winemaking. Headed by winegrower and winemaker, Raúl Acha, utilizing hand-pruned mountain vineyards and natural methods.

### **Tasting Notes**

“Intense, mature, original and layered. The aroma of mature dark fruits develops into compote, chocolate, oak and spices notes.

A full bodied wine, intense and bold, but not hot and robust. Acidity and tannins are nicely balanced and contribute to its character.”
