## Castillo de Maetierra

# vintae

### Production

50,000 bottles

### Origin

D.O. Valles de Sadacia

### Packaging

12 pk.

### Vintage

2006

### Varietal

100% Muscat a petits grains

### %Alcohol by Voume

12%

## Melante

### Vineyards

Reseda plot, the vineyards are located in the Rioja "Ribera" within the district of Calahorra.

### Harvest

Harvest is carried out at night the first week in October. Upon arrival at the winery, the clusters that do not meet the standards of heath ripeness are rejected.

### Vinification and Ageing

Fermentation takes place in low temperature, which is then spontaneously interrupted once the alcohol reaches a certain concentration, producing a naturally sweet wine.

### Tasting Notes

Delicious aromas of orange blossoms and honey.  
Perfect balance of sweetness to acidity. A Great aperitif, better with dessert.
