

# BROOK & BULL

1249 Lyday Lane Walla Walla Washington, 99362

Brook & Bull Cellars is a return to Ashley Trout's roots of varietally driven, nuanced, and intricately balanced wines. Sourcing from top vineyard sites, and at only 2000 cases per year, Trout creates wines that exactly reflect her palate.

With a low oak, low intervention and early pick style, Trout manages to relentlessly showcase what Washington fruit does in its finest, truest form. In a nod to the wild west that lured her from the beginning, her blends explode past genre restrictions and her varietals are unabashedly layered, complex and stunning.
